Greetings,

After reviewing the 2-year Interim Progress Program Report (IPR) submitted by University of North Carolina at Charlotte School of Architecture, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report.

As there were three Not Met SPC within Realm B, the 5-year report due in fall 2021 must include student work examples as evidence of progress toward meeting deficiencies in B.2 Site Design, B.4 Technical Documentation, and B.6 Environmental Systems. Please note that Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
