

MAX AT MONTCLAIRE

What is MAX? ¿Qué es MAX ?
 MAX is UNC Charlotte's mobile classroom/stage for arts exploration, education and pop-ups to connect neighbors and build community.

MAX es una aula móvil de la UNC Charlotte para la exploración de las artes, la educación y los eventos emergentes para conectar vecinos y construir comunidad.

What is MAX at Montclaire?
 MAX will visit Montclaire Elementary for 4.5 weeks in Sept-Oct and host in-school programs for the students of Montclaire as well as be open for Saturday community programming free to the neighborhood.

MAX visitará Montclaire Primaria durante 4 1/2 semanas en septiembre y octubre y acogerá programas para los estudiantes de Montclaire, así como programas comunitarios gratuitos para la vecindad en los sábados.

Montclaire Elementary
 5801 Farmbrook Drive
 Charlotte, NC 28210

WEDNESDAYS

3:00PM STEM After-School Workshop - For our 21st Century learners, Discovery Place will be offering 1-hour hands-on activities exploring a variety of science, technology, engineering, arts and math concepts. *For grades 1-3 . Pre-registrations required at wfishman@uncc.edu or 704-687-0881.*

SATURDAYS

10:00AM STEM Saturdays - For our 21st Century learners, Discovery Place will be offering 1-hour hands-on activities exploring science, technology, engineering and arts while creating fun take home DIY projects. *For ages 6-14 . Pre-registrations required at wfishman@uncc.edu or 704-687-0881.*

Gardening 101 - Ideal for those with little or no garden space, Bobbie Mabe shows you how to produce a variety of crops with the seeds, pots, materials and know-how to start growing and sharing your own seasonal garden. Montclaire Elementary Gardens will be your workspace. Materials provided. *Open to all Ages*, Support provided by UNC Charlotte Botanical Gardens.

Hula Hoop Fitness and Fun - "Cara Zara's Hula-Hoop Kid-Fit" puts a modern spin on the classic fun of the hula-hoop by combining contemporary dance, music, athletics, martial arts and circus moves. Come dance, hoop, learn tricks and surprise all your friends. *Open to all ages.*

Bike Rodeo -October 22 ONLY 11:00am-1:00pm

Learn bicycle skills at this fun event which provides an opportunity for bicyclists to learn, practice and develop skills to become better bicyclists and be safe riders. New riders learn 'how' to ride and experienced riders practice maneuvers and safety at the 'rodeo'. Bikes provided OR bring your own. *Ages 6-13.*
