The job performance of every permanently tenured and tenure-track faculty member will be evaluated each year. This evaluation will be undertaken by each department chairperson under departmental procedures and criteria. This evaluation process is a minimum requirement; it shall not supplant more extensive departmental procedures.

The policy (UP 102.14) guiding tenured faculty performance review can be found in the <u>Office of Legal Affairs</u>, and the procedures that govern the policy are found in the <u>Office of Academic Affairs</u>.

The College of Arts + Architecture uses a folder/file system on Google Drive to host documents (Review File) uploads for use by Tenured Faculty Performance Review (TFPR) candidates as well as by academic unit administrators. This drive is the official repository to be used by all members of review committees and individuals with reviewer status at the university.
